Help us buy grocery cards

The **Oro Valley Chamber** has joined with the **Oro Valley Chamber Foundation** to contribute **\$10,050** toward the purchase of **\$75 grocery cards** at Chamber member **WalMart**.

When those cards arrive, we plan to distribute them to employers who've **furloughed** or **laid off** workers because of the coronavirus pandemic. In turn, those businesses would get the cards to **workers**, so those individuals can put **food** on the table.

In addition, Chamber Diamond member **Pima Federal Credit Union** has added further to the pool. With other donations, we now have **\$12,800** for this relief effort, and counting. It's **not** nearly **enough**, of course.

Would you be **willing** to **help**? Click on the button below, and **please** make a donation to the **501c(3) Chamber Foundation**. The more money we receive, the more **people** we can **help**.

Thank you!
